

Registering for modules in summer term 2018

Please ensure that you meet the deadlines!

All students have to register for the modules in their study program at our faculty. Register online via „**Tool**“.

<https://tool.uni-leipzig.de/einschreibung>

Exempted from online registration:

- Advanced Laboratory courses (Master Chemistry, Mineralogy and Material Science, Advanced Spectroscopy in Chemistry and Structural Chemistry and Spectroscopy)

When?

26.03.2018 to 04.04.2018 (5.00 pm) for Teaching degree program

28.03.2018 to 04.04.2018 (5.00 pm) for key qualification

28.03.2018 to 08.04.2018 (11.59 pm) for Bachelor and Master Program

This involves registering for the module classes and for the module exams.

Students will be excluded from the module exam if they are not registered for the module.

You can **sign out from a module** via “Tool” **until 16.06.2018, 23.59 Uhr**. In that case you are also signed out from the module exam.
